TO WHOM IT MAY CONCERN:

This letter is written to solicit your assistance in identifying any outstanding traffic tickets/fines I have in your court. Presently, I am serving a sentence of 111 months at Aliceville Satellite Prison Camp.

I am endeavoring to work toward an equitable decision in settling any open matter before this Court. It is my hope that the Court will consider time served as a possible resolution. Through my incarceration, I have discovered how to be accountable, realizing that everyone faces trials in life, but what sets us apart is our response. In this effort, I am striving to meet any obligations and look forward to a new beginning upon release.

I look forward to your response, and would appreciate all future communication sent to the enclosed address.

Respectfully,

Erica Wooldridge
